## Ministry Focus – Family Ministry

Country Hills Family Ministries understands the importance of raising your children to be Jesus' followers. When the church family and your family work together to disciple children, the possibility for success is greater!

As part of our Family Ministries, we use Parent Cues to help us with this. They are designed so parents can know what their children are learning on Sundays. Each Parent Cue provides simple prompts throughout the week to remind parents to pause and make the most of everyday moments with their children by taking key markers in a day to reflect on what children have learned about the word of God.

## Mission Focus – Chapple Family, Mexico

The Chapple's train and equip pastors and are now leading a training program called Seminario Por Extension a las Naciones (Seminar by Extension to the Nations). At the end of May, the Chapple's are heading to Alberta for a summer of Home Ministry Assignment.

### Please pray for:

- Traveling plans as they leave Mexico
- Payment for three months of rent and utilities in advance
- A house sitter for their home / pets
- Strength and peace during the three months they are in Canada; travelling, visiting and speaking which is usually very hard on the family
- That God continues to bless them in their ministry abroad as they visit with supporters and friends in Alberta

## Our Prayer Chain
